Status: **VERIFIED** (found on an official source, used as stated) · **SOFTENED** (official source exists but wording changed to a safer factual form) · **NOT USED**

Phrase on prototype	Status	Source / note
Zoom Modules family lists VNP36D5VAR (1 model)	VERIFIED	S9 category "VHT ZOOM MODULE" — single result VNP36D5VAR
"VHT zoom module — 6-216mm optical 36× AF zoom, F1.5, with a 2MP 1/2″ SONY STARVIS CMOS."	VERIFIED	S9 product page: "6~216mm Optical x36 True AF Zoom Lens/F1.5", "2MP Full HD 1/2″ SONY STARVIS CMOS"; category name "VHT ZOOM MODULE"
"Seven product families"	VERIFIED	Structure Map R1: IP Camera, NVR, HD Analog Camera, DVR, Zoom Modules, Software, Accessory
Standalone zoom-module products / specifications	NOT USED	No official source on the English or Korean site
Established 1997 / "Since 1997"	VERIFIED	S1 "Est. Jan, 1997"; history 1997-01 "Established Realtech", 2000-09 renamed
Made in Korea / Korean-origin design and manufacture	VERIFIED	S8 "Made in Korea IP Cameras"; NDAA page & NVR/DVR pages "design and manufacture of the product are of Korean origin"
NDAA compliant	VERIFIED — **scoped to "NDAA compliant models"**	S5 (listed per model: 4K/6MP IP, NVR, DVR…). Not claimed for every product
HQ + 3 factories (Bucheon, Incheon)	VERIFIED	S2 Head Office, Second, Third, Fourth Factory addresses
R&D Center 2003	VERIFIED	S1 2003-02
ISO 9001 · ISO 14001	VERIFIED	S3 "obtained ISO9001 / ISO14001 certification"
CE, FCC, UL, E-Mark, KC, TTA	VERIFIED	S3 "※ CE, FCC, UL, E-Mark, KC, UL, TTA, etc." + S7 documents
ONVIF Profile S	VERIFIED	S1 2012-08 "ONVIF Core2.2 Profile-S compliant Products"; product pages
IP69K water intrusion / IP68 immersion / transport vibration tests	VERIFIED — **described as test procedures, not product ratings**	S3 environmental test procedure

Phrase on prototype	Status	Source / note
Started supplying Incheon International Airport (2018)	VERIFIED	S1 2018-09
Public local government supply agreements (2014)	VERIFIED	S1 2014-03, 2014-11
E-Mark vehicle approvals VDA50SMTi, VCI70131	VERIFIED	S7
Engine room camera (2018)	**SOFTENED**	S1 says "Launched the world's first engine room Camera". "World's first" is a company claim not independently verifiable → shown as "Launched an engine room Camera"
C/CS mount Variable Apparatus patent (2001)	**SOFTENED**	S1 "Patented world first …" → "world first" removed
S/W official certificate (2018)	**SOFTENED**	S1 "…as first company in Korea" → qualifier removed
Mission statement	**SOFTENED (condensed)**	S1 original: "Visionhitech, as a global leading company in the development of Video image technologies with its spirit of challenge that developed and popularized globally the world's first high-definition camera decades ago, is committed to …". Displayed: "Visionhitech is committed to developing security technologies that contribute to the advancement of the global security industry and, ultimately, the happiness of mankind." Client to approve final wording
Vision: "Global Security industry Leader"	VERIFIED as **stated vision (aspiration)**	S1 Vision list; shown only under the "Vision" heading, never as a factual ranking
Server-based video analysis solution (2018)	VERIFIED	S1 2018-12
Deep learning-based AI camera series in development	VERIFIED	S6 "…continuing to make aggressive and seamless efforts to develop 4K UHD and deep learning-based AI camera series"
Intelligent object based motion detection	VERIFIED — **scoped to VNP36D5VAR**	S5 VNP36D5VAR
Ultra STARLUX full colour at 0.1 lux	VERIFIED	S4 low-light technologies
Advanced ROI 10Mbps → 1Mbps	VERIFIED — **demonstration labels**	S4 streaming page image captions
480fps@4K2K, 4K/30 HDMI, 16CH (VR16S)	VERIFIED	S5 VR16S
Up to 128 cameras per Client Live (NVR C/S Unlimited)	VERIFIED	Solutions page package table
Warranty 27 / 15 / 9 months	VERIFIED — **conflict open**	Download › Warranty table; intro text on same page states 24 / 12 months → client confirmation (inventory §4 #5)
52 IP camera / 86 total models	VERIFIED (derived)	WooCommerce catalogue count, one "coming soon" item excluded
"No.1", "Leading", "Global Leader", "Top tier" as factual claims	NOT USED	—
Company figures (150 employees, capital, USD 50M turnover)	NOT USED	S1 values have no reference year
Any AI function (object / face / vehicle / plate recognition, accuracy)	NOT USED	No official source

Internal review wording removed from client view (Revision 02)

"To be confirmed", "Awaiting official content", "Reserved for official AI Vision content", "Content slots for production", "Verified / Partially verified / PENDING" status labels, "Content note: model code differs…", source/SRC lines, "Latest posts … date from June 2020", "details awaiting", "scope / models to be confirmed", "PHOTO · TO BE CONFIRMED",

"Map embed … to be confirmed", warranty confirmation note, "no dedicated … page" sentences, "(as stated by VISION HITECH)", "Illustrative 16CH …".

These items remain tracked in `VISIONHITECH_CONTENT_INVENTORY.md` (§2–§4) and in the `pending` fields of `src/content/en/solutions.ts` (not rendered). Where official content is missing the page shows a generic heading with a quiet "Coming soon" or a "Contact our team" action.

Revision 03 — client feedback (Webpage_Layout_대강.xlsx, 2026-11-03)

Item	Status	Basis / handling
"Korea's Best R&D Power"	**CLIENT-PROVIDED CLAIM**	Title written by the client in the Excel file (벤토그리드 · 3단). Shown as a title only — no supporting ranking or figure is added. Not expanded to "No.1", "Market Leader", "World's Largest" etc.
"Korea's Largest OEM/ODM Manufacturer"	**CLIENT-PROVIDED CLAIM**	Same as above. No OEM/ODM ranking or volume source exists on the current official site. Client to confirm the wording and supporting evidence before production
"Severe Quality Control", "Stable & Long-Term Business"	CLIENT-PROVIDED (descriptive)	Learn More links to Company › Quality (ISO 9001 / 14001, IP69K / IP68 / vibration tests) and Company › History (since 1997)
Solution titles: End-to-end Video Surveillance / Ultra Low Light 24/7 Color / Zoom Modules / Edge AI Video Solution	CLIENT-PROVIDED titles	One-line descriptions use verified statements only: one-manufacturer cameras/recorders/VMS (S1), Ultra STARLUX 0.1 lux (S4), 6–216mm 36× AF zoom, 1/2″ STARVIS (S5 VNP36D5VAR), server-based video analysis 2018 + deep learning AI camera development (S1, S6)
"Edge AI Video Solution"	CLIENT-PROVIDED title — **no AI function claimed**	Edge vs. server processing architecture is still unconfirmed (solutions.ts pending). The card visual is an abstract night-city image with no detection boxes
Hero slide ④ title	**NEEDS CLIENT CONFIRMATION**	Identical to slide ① in the client file; kept verbatim
Application ①–⑤	**NEEDS CLIENT CONFIRMATION**	Client file lists "A"–"E" only; shown as A–E, no names invented
Transportation Camera: "E-Mark approved vehicle models"	VERIFIED	Download center — Vehicle Approval Authority (E-MARK) for VDA50SMTi and VCI70131
Transportation Camera: "long-range cameras for roads and airports"	VERIFIED	S4 smart hardware page (10× bullet use cases: highway intersection, crossroad, airport)
Marine Camera: "Engine-room camera since 2018"	VERIFIED	S1 History 2018 "Launched an engine room Camera"
Marine Camera product tile (VNV23194AR)	Labelled "related model"	Listed as a related product of Vision Marine in solutions.ts; not presented as a marine-certified camera
AHD/TVI cameras: "2MP and 5MP … bullet, dome and miniature"	VERIFIED	Product catalogue (HD analog category); TVI/AHD/CVI/CVBS output listed on HD analog product pages
YouTube / LinkedIn	No official URL found	visionhitechsecurity.com and visionhitech.co.kr checked 2026-11-04 — icons link to Media Center › Youtube / LinkedIn sections
Media dates	Unchanged	Old post dates are not altered and no date is shown on the homepage boxes
